

Creative Places, Edenderry Seed Funding

6 x Seed Funding Grants of €1,000 each

The Brief

Creative Places, Edenderry is a 3-year, community-based project to connect, create, and develop artistic and cultural activities to enhance the community engagement and spirit within the area.

Creative Places, Edenderry is led by Creative Lives and supported by The Arts Council/An Comhairle Ealaíon, Creative Edenderry, Offaly County Council, and North Offaly Community Development Company.

Creative Places, Edenderry aims to work with people of all ages and backgrounds to create a richer, more inclusive, and more cohesive creative community in the town and surrounding areas. Over the course of the 3-year project, there will be opportunities for professional artists, non-professional artists, community groups and individuals to get involved. The project will be owned and developed collaboratively by the people of Edenderry, with sustainability at the heart of what we create together.

We are currently in year 3 of the project, and so far there has been a lot of interesting work, events, workshops, projects, and activities. Here are the links to our website and social media pages:
